Sir:

In accordance with the duty of disclosure imposed by 37 CFR § 1.56 to inform the Patent Office of all references coming to the attention of Applicant or Attorneys for Applicant which are or may be material to the patentability of any claim of the subject application, Attorneys for Applicant hereby direct the Examiner's attention to the reference listed on the attached revised form PTO 1449. A copy of the reference is submitted herewith. Applicant notes that the reference, European Patent Publication EP 984 023, corresponds to Japanese PCT Publication WO98/38216, already of record in the file of the instant application.

REMARKS

Identification of the listed reference is not to be construed as an admission of Applicant or Attorneys for Applicant that the reference is available as "prior art" against the subject application. Consequently, Applicant respectfully declines to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." As an alternative, Applicant submits herewith a "revised form PTO 1449" entitled "List of References Cited" instead of "List of Prior Art Cited."

Applicant respectfully requests that the Examiner review the foregoing reference and that the reference be made of record in the file history of the application.

This Supplemental Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits; therefore the fee required for filing this Supplemental Information Disclosure Statement is estimated to be \$0.00. If it is determined that a fee is required, please charge any required fee to Pennie & Edmonds LLP deposit account no. 16-1150.

Respectfully submitted,
